Peter gives us 3 responsibilities/qualifications for ministry leadership:

1. He must have a _____ with Christ.
2. He must have a practical _____ to serve Christ.
3. And third, he must have a powerful _____ to please Christ.

Peter uses three different words to describe one person. Why?

- The term "elder" describes his _____.
- The term "bishop" describes his _____.
- And the term "pastor" describes his _____, he feeds sheep.

As the shepherd _____, so _____ the sheep.

As the shepherd _____, so _____ the sheep.

If the shepherd is _____, sheep are _____.

If the shepherd is _____, the sheep will be _____.

There has to be a practical gifting in two areas to serve Christ. Peter says there has to be a gifting to _____ sheep and a gifting to _____ sheep.

A good leader is somebody who has a _____,
_____ the way, _____ the way, and then
_____ the way. He _____ by _____.
